## EXPERIENCE

### stella for plants | UX freelance project

NOV. 2021 – PRESENT | 📍 Hamburg

Creating a professional web presence, branding & logo for Stella. She has a plant based business that is about giving nutritional advice for schools, companies, other institutions & individuals.

### Padis GmbH | UX Engineer

APR. 2020 – PRESENT | 📍 Hamburg

Designing and optimising the UX of a warehouse management software from small to big businesses like Marc O'Polo by identifying user problems during user interviews and surveys with the stakeholders. Redesigning and building new features for mobile MDE scanners to improve workflows for users in the warehouse.

### Padis GmbH | Bachelor Student & Internship

JUL. 2019 – MAR. 2020 | 📍 Hamburg

**Thesis theme:** Human centered design of a warehouse management system under consideration of methods and findings of usability engineering.

**Internship:** Front End Development with React, Logo Design and Wireframing.

### OnCampus | UX Designer (Student worker)

NOV. 2018 – JUN. 2019 | 📍 Lübeck

Created a heuristic analysis by testing user tasks and redesigned the website based on the findings.

## EDUCATION

### UX Design Certificate

SEP. 2021 – PRESENT | 📍 Berlin

CareerFoundry

### B. Sc. IT & Design

SEP. 2016 – AUG. 2020 | 📍 Lübeck
